

# Manasa Yenimireddy

I love bringing ideas to life through web development, turning concepts into functional websites. My recent project—an AI-powered sustainable upcycling assistant built with Next.js and TypeScript—demonstrates my technical expertise and commitment to merging innovative technology with eco-friendly practices

## EDUCATION

Degree/Grade	Institution	Score
1st year BE CSE	New Horizon College Of Engineering	9.2/10 CGPA (2024)
Senior Secondary (Pre- Engineering)	Sri Sri Ravishankar Vidya Mandir - CBSE	95.6% (2023)
Secondary (High School)	Vagdevi Vilas School CBSE	91.4% (2021)

## TECHNICAL SKILLS

- **Frontend Development:**  
React.js, Next.js, Tailwind CSS, HTML, CSS
- **Programming Languages:** Python, C, JavaScript
- **Databases & Backend:**  
Firebase, MySQL

## PROJECTS

### Sustain Web (Next.js, TypeScript, Tailwind CSS, Hugging Face)

- [Website](#) , [Github](#)
- Developed an AI-powered web app that helps users repurpose items sustainably using AI-powered suggestions.
- Integrated **Neko AI** to analyze object descriptions and provide creative reuse ideas.
- Aligned with my **New Year resolution** of promoting sustainability through technology.

### Swap'em (React.js, Firebase) | [Github](#)

- Built a platform for users to **swap skills** and learn from each other.
- Implemented authentication and real-time database updates using **Firebase**.

### Pretty Pretty Salon (React.js) | | [website](#) | [Github](#)

- Designed a **mockup website** for a startup, improving UI/UX with modern frontend frameworks.

### Portfolio Website (React.js) | [website](#) | [Github](#)

- Developed a **personal portfolio** showcasing projects and technical skills.

## EXTRACURRICULAR

**EY Technathon:** Reached Second Round

Participated in a few **hackathons** to gain hands-on experience.

Engaged in creative hobbies such as embroidery, sewing, and jewelry making. Started a **small Instagram page** to share handmade products

Learned **juggling** and other new skills, which increased my eagerness to learn.

## LANGUAGES

English, Telugu, Kannada, Hindi
